

9th PTP RMP Conclave 2025

RAISING THE BAR...

Hosted by
GREEN ECONOMY INITIATIVES

Supported by
National Accreditation Board for Testing and Calibration Laboratories (NABL)
(A Constituent Board of Quality Council of India)

PTP RMP Conclave emphasizes India's commitment to lead efforts to build a culture of quality by making available PT schemes and reference materials at optimum cost as well as nurture budding talent. It's an open platform for information sharing and discussions by PT providers on design and plan of robust and innovative PT schemes, as well as demonstration of scientific and technical competence to produce reference materials by RM producers.

THEME

Started by NABL in 2017, the conclave has undergone significant evolution over the years. Theme for IXth edition 'Raising the bar...' aims to encourage refinements in conducting proficiency testing as PT Providers shift from ISO/IEC 17043:2010 to ISO/IEC 17043:2023 and strengthening distribution service for reference materials as ISO 17034:2016 takes roots.

OBJECTIVES

- Brainstorm** -innovations for new opportunities; sell your ideas
- Demonstrate** - abilities as PTP | RMP;
- enhance**- brand perception and market position
- Engage** - with customers and participants and **showcase**- your products and services **under one umbrella**.
- Learn best practices** - one can apply in their own situations
- Offer**- Products (for production of PT items or RM) and services (software's for use by PT providers and RM producers)
- Share** - Views including challenges with a larger audience
